Live in the heart of Marda Loop and enjoy the lifestyle this vibrant district affords as one of Calgary's most trendy and coveted communities. This boutique 4 plex exudes timeless elegance with its red brick exterior and allows for quieter living with only 3 neighbors in the building. Showcasing a spacious and rare three-bedroom unit, this home is great for families or professionals looking for additional space for a home office, guest bedroom, or flex space. Upon entering you'll note the spacious 1,046 square foot layout (all below grade), new flooring, a fresh coat of designer selected paint, new carpet, and an open concept layout which is perfect for entertaining. The kitchen boasts timeless white shaker style cabinets, beautiful stainless steel appliances, pendant lighting, an island with bar seating, and ample storage space. The kitchen opens into the sunny dining room and flooded with natural light through sunny south facing windows. A cozy gas fireplace is the rare focal point of the spacious living room, accented by a classic tile surround and mantle, keeping you warm all winter long. A giant south facing sliding glass door opens to extend your living space outdoors onto your private, south facing balcony which provides the perfect spot to relax, unwind, and enjoy the sunshine. Down the hallway is a front hall closet, a full laundry

room with a side by side washer and dryer, and a linen closet. Tucked quietly away from the main living spaces and down at the end of the hallway youâ€™ll find 3 generously sized bedrooms including a primary bedroom sized for king sized furniture as well as a full bathroom that includes granite countertops.
