OPEN HOUSE CANCELLED Cozy Comfort
and Practical Style in the Heart of Cremona

Welcome to a beautifully finished
1,047-square-foot bungalow where natural
light, thoughtful design, and small-town charm
come together in perfect balance. From the
moment you walk in, vaulted ceilings and a
large living room window create a bright and
welcoming space that feels both open and
comfortable.

The main floor features an open-concept
layout where the living room flows easily into
the dining area and kitchen. At the center, a
generous island with breakfast bar invites
casual meals, morning coffee, or time spent
catching up with friends. Stainless steel
appliances and modern finishes bring a clean,
polished look, while the layout keeps things
functional and easy to navigate—designed to
feel inviting and perfectly suited for everyday
living.

Head downstairs and discover even more
space, with a separate entrance leading to an
almost finished full basement. With a third
bedroom, second bathroom, spacious rec
room, and ample storage, this lower level is
nearly complete—just waiting for ceiling
installation to bring it fully to life. Whether
you're planning for guests, a home office, or
extra living space, it's ready for your
finishing touch.

From its attractive curb appeal to the versatile basement and warm, open layout, this home is an ideal match for anyone seeking move-in-ready ease without sacrificing personality.

Come take a look and picture yourself settling into a home that feels as practical as it does inviting. Letâ€™s make YOUR dreamsâ€™ Realty!
